OMRI **SHACHAR**

Kiryat Ono · 050-962-8144

irmoomri@gmail.com · LinkedIn · Twitter/Blog/Portfolio

Full-Stack Developer skilled in React and Node.js. Passionate about building user-friendly, responsive web applications.

EXPERIENCE

AUG 2017 – FEB 2023

STORE MANAGER, VANS

Managed the Vans branches in Dizengoff Center and Ramat Aviv, overseeing daily operations, team leadership, and sales growth while ensuring exceptional customer experiences.

EDUCATION

DECEMBER 2024

FULL STACK COURSE, JOHN BRYCE TRAINING

Completed a comprehensive Full-Stack Development course at John Bryce Training, mastering JavaScript, TypeScript, React, Node.js, Angular, SQL, MongoDB, and RESTful APIs. Gained hands-on experience building dynamic web applications, implementing responsive designs, and developing scalable backend solutions.

SKILLS

- Adaptability to new environments and challenges.
- Ability to work effectively under pressure and meet tight deadlines.
- Self-motivated with a hunger to prove and deliver results.
- Strong team collaboration and communication skills.
- Eager to learn and adopt new technologies quickly.

ACTIVITIES

I'm passionate about learning and experimenting with the latest full-stack technologies to create innovative solutions. I thrive when working with others, enjoy collaborating in teams, and perform well under pressure to meet deadlines. I'm constantly seeking opportunities to grow my skills, tackle new challenges, and contribute to a positive and productive environment.
